

2001 Annual Paintings of Wildlife Art Festival

Please come join Janet Heaton,
a native Floridian wildlife painter of
North American & African animals.
Her works are known worldwide for her
mastery of skill in oil & watercolor paintings
depicting animals in their
natural habitat.

All proceeds will go to the
Association of Endangered Species
for the recent environmental changes
that have occurred within the
Northern United States
and Southern Africa.

Date: October 1, 2001 at 7:00p.m.
Where: Hollywood Museum Of Art
1625 Star Blvd.

For more information, please call 1-800-sav-d-animals
